

MoneyproM175

Industrial grade six-rotor UAV

1750mm

Symmetrical
wheelbase

75min

battery life

Level 6

Wind resistance
rating

15kg

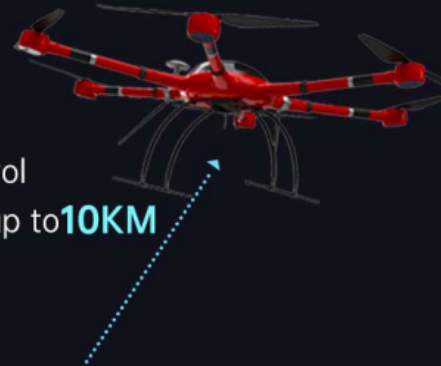

task load

Cirrutitan
(12S mooring system)

Nova L50
(searchlight)

Volcan FE3
(dry powder fire extinguisher)

Over-the-horizon control

Over-the-horizon remote control

Communication link distance up to **10KM**

多次实飞测试达到20km以上图传距离
Reach 20km communication Distance in multiple flights test

One-piece high protection

- Carbon fiber board + engineering plastic + aviation aluminum body, light weight and high strength
- Can adapt to harsh environments and extreme wind, rain, sand and dust weather

Rapid Deployment Portable Jobs

- The plug-in arm design realizes quick disassembly and assembly, reduces the packaging size, and is easy to carry

One-click planning for autonomous flight

- The ground station realizes one-key route planning, conducts autonomous flight missions and supports the ground station to guide the flight

High density battery capacity

high efficiency

power system

high density

lithium battery

75min

Maximum no-load
battery life

Mount multiple combinations
