

MONEYPRO M850

ALL-ROUNDUGV CRAFTED FOR INDUSTRIAL APPLICATIONS

Features

Ackermann
Steering

$\leq \pm 0.5^\circ$

300kg
Loading Capacity

Non Independent
Suspension System

1800_w
Motor

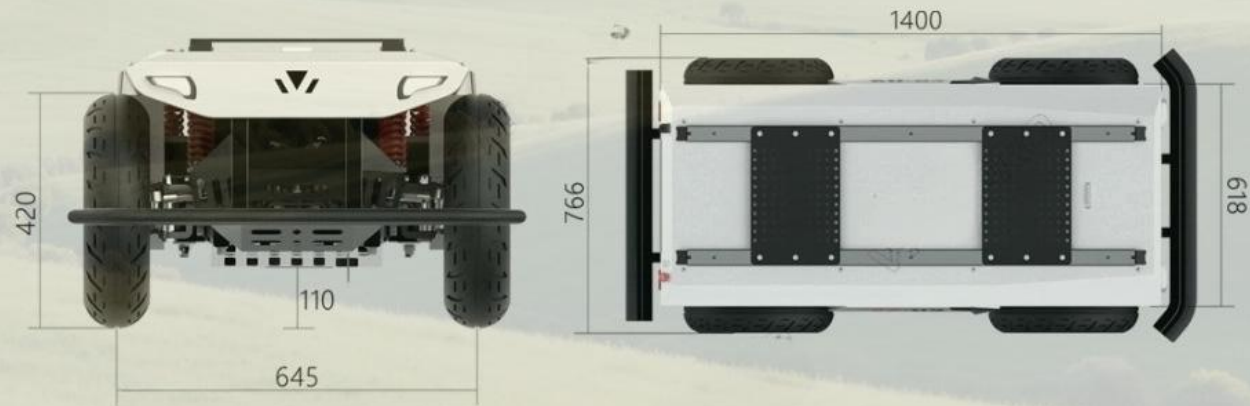

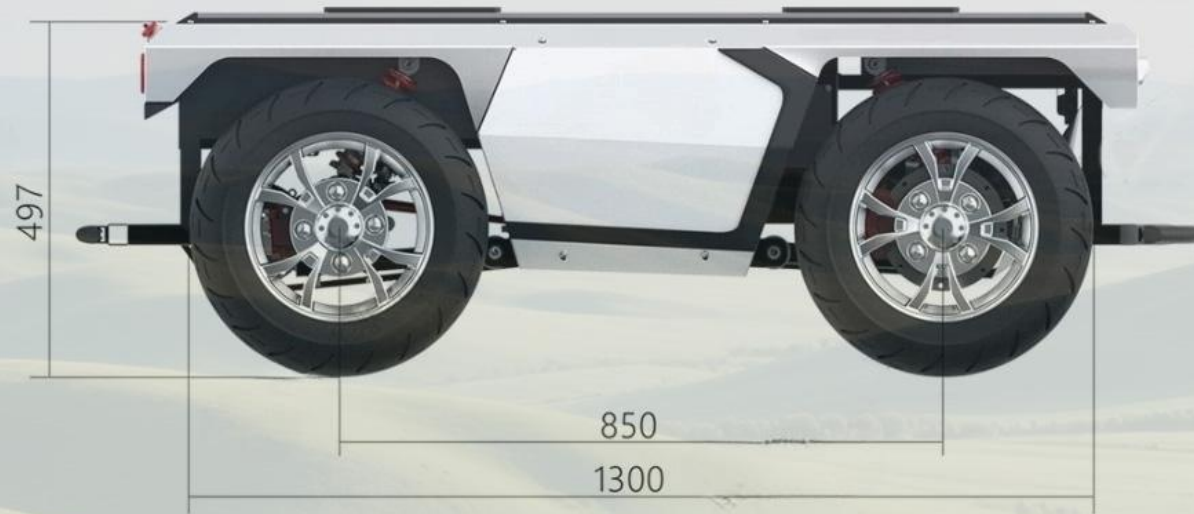

contained 20 security strategies, and run in high-precision control state by-wire. Complete system structure design and superior device algorithm and accurate control strategy. Stability is 30% better than other similar robot chassis.

**VCU -- Comprehensive
Security System**

Parking: In the case of unexpected power failure or emergency stop during driving on a ramp , the system will provide the safeand stable parking.

Braking: Hydraulic disc brake and Electromagnetic Band Brake.

Excellent performance under high pressure and temperature, lightweight yet efficient heat dissipation.
